

# 18<sup>th</sup> CHHATTISGARH YOUNG SCIENTIST CONGRESS AWARDEES (CYSC-2023)

## SCHOOL OF STUDIES IN CHEMISTRY

S.No.		Name	Title	Organization	Award/Year
1.		<b>Lavkesh Kumar Singh Tanwar</b>	Inclusion complexation of antidepressant drugs with cyclodextrin and $\beta$ -cyclodextrin	18 <sup>th</sup> Chhattisgarh Young Scientist Congress (CYSC-2023), Pt. Ravishankar Shukla University Raipur (CG), India, 3-4 <sup>th</sup> May 2023	Young Scientist Award in Chemical Sciences
2.		<b>Anushree Saha</b>	A Novel Mass Transfer Model For Detection Of Pymetrozine Insecticide By Organic Hydrophobic Resin Bound Gold Nanocomposites Employing In- Situ Se/Atr-Ftir Spectroscopy	18 <sup>th</sup> Chhattisgarh Young Scientist Congress (CYSC-2023), Pt. Ravishankar Shukla University Raipur (CG), India, 3-4 <sup>th</sup> May 2023.	Young Scientist Award in Chemical Engineering
3.		<b>Chhaya Bhatt</b>	Fourier transform infrared - pectrophotometric technique for analysis of some oncogenic pesticides in agricultural samples of chhattisgarh state	18 <sup>th</sup> Chhattisgarh Young Scientist Congress (CYSC-2023), Pt. Ravishankar Shukla University Raipur (CG), India, 3-4 <sup>th</sup> May 2023	Young Scientist Award in Agricultural Engineering/ Technology
4.		<b>Aishwaryashri Tamrakar</b>	Characteristics of ambient volatile organic compounds and their role in ozone formation potential in urban-industrial environment of chhattisgarh	18 <sup>th</sup> Chhattisgarh Young Scientist Congress (CYSC-2023), Pt. Ravishankar Shukla University Raipur (CG), India, 3-4 <sup>th</sup> May 2023	Young Scientist Award in environmental sciences, engineering and forestry
5.		<b>Rajiv Nayan</b>	Atomic Engineering Design of Boron and Nitrogen Co-Doped Carbon Fiber: A Potent Material for Methylene Blue Removal	18 <sup>th</sup> Chhattisgarh Young Scientist Congress (CYSC-2023), Pt. Ravishankar Shukla University Raipur (CG), India, 3-4 <sup>th</sup> May 2023	Young Scientist Award in Mechanical, Mechatronics and Production Engineering
