60th National Pharmacy Week (NPW)

From 23rd November 2021 to 25th November 2021

University Institute of Pharmacy, Pt. Ravishankar Shukla University, Raipur (C.G.) celebrated National Pharmacy Week on theme “**Pharmacist: An Integral Part of Healthcare**” from 23rd November 2021 to 25th November 2021. The program was started with Saraswati Pooja and lamp lighting ceremony by all dignitaries. Function was proceeded with deliberation by Prof. Swarnlata Saraf, Director, University Institute of Pharmacy, Pt. Ravishankar Shukla University, Raipur (C.G.). She mentioned the importance of technology in pharmacy profession and responsibilities of next generation pharmacist. She focuses on different ways of learning with modern perspectives and also on motivating and grooming students. Prof. Shailendra Saraf, Founder director and Professor, University Institute of Pharmacy, Pt. Ravishankar Shukla University, Raipur (C.G.) has also addressed the gathering with his encouraging and visionary words and focuses on implementation of knowledge and skills of pharmacy profession in capacity building of health care system. Prof. Preeti K. Suresh, Professor, University Institute of Pharmacy, Pt. Ravishankar Shukla University, Raipur (C.G.) emphasized on role of pharmacist during pandemic and their contribution towards medical science. The students were actively participated in various events and competitions organized during NPW.

1st day series of events started with scientific presentation delivered by students. The event was very knowledgeable for everybody and appreciated by Director and Professors of University Institute of Pharmacy. It was followed by Model Presentation. Various types of models were presented by students which included static model and working model. Models were based on current scenarios of novel covid-19 pandemic and pharmacy. This event was evaluated by Dr. Manju Singh and Dr. Amber Vyas. First day events ended with Rangoli competition in which students explored their creative side. This event was evaluated by Prof. Preeti K. Suresh and Dr. Rajendra Jangde.

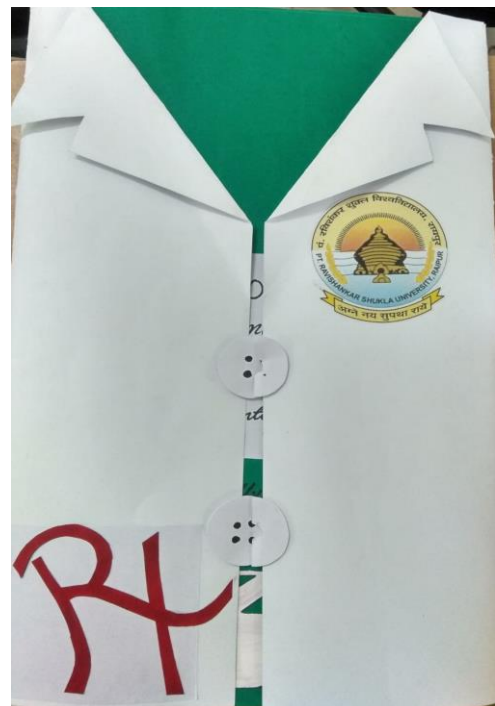

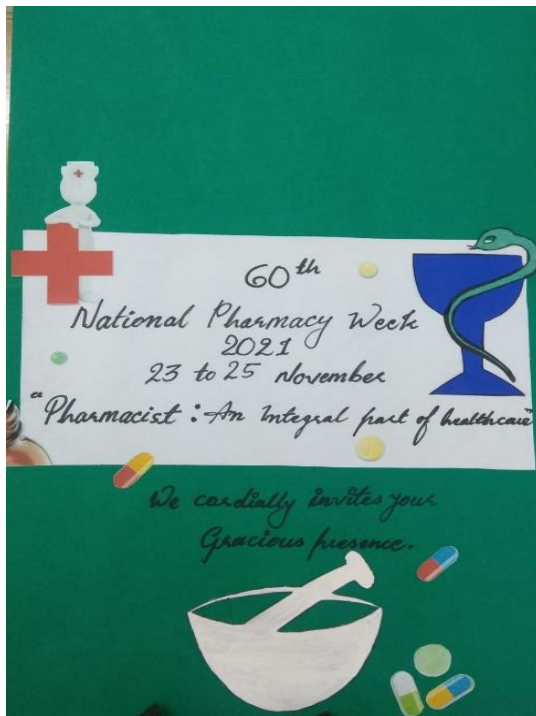

Day 2 of series of events started with Plantation by faculty members and students of University Institute of Pharmacy. Second event for this day was Slogan writing competition, which was evaluated by Dr. S. J. Daharwal and Mr. Adeep Kujur. This event attracted huge participation from students. Students come up with many innovative and inspiring slogans related to pharmacy

profession. This event was followed by Extempore competition judged by Dr. Deependra Singh, Dr. S. J. Daharwal. The day ended with Poster competition judged by Mr. Adeep Kujur and Mr. Rakesh Turkey.

Blood donation camp was organized on the third and final day of National Pharmacy Week. Students actively participated for this novel cause. Next event of this day was Nukkad Natak. Students performed an energetic skit in group explaining the role of pharmacist in healthcare system. This event was followed by Quiz competition, which was both informative and entertaining. Finally, the day ended with announcement of winners of different competitions held within the period of three days.
