# THE MONOGRAM OF THE UNIVERSITY

The pinnacle of the famous Rajivlochan temple at Rajim in Raipur district (C.G.) is there in the middle of the monogram of Pt. Ravishankar Shukla University. It symbolizes the glorious cultural heritage of the ancient South Koshal now known as Chhattisgarh.

The rising sun is the symbol of Prajapati knowledge and material knowledge in the Vedantic thought. It stands for the supreme knowledge.

On both sides of the pinnacle wavy lines are drawn that indicates the Ganga of Chhattisgarh, the great river Mahanadi symbolized as the ancient name of the river Chitrotpala.

On the lower part of the crest the saplings of wheat and paddy spread on the left and right sides of the crest in a semicircular way prove the economic source of Chhattisgarh's inhabitants. They reveal the rural nature of the local culture.

All these symbols are surrounded by a big sphere that signifies the earth. The name of the University is written in this circle both in Nagari and Roman scripts, which is moving from the left to right encircles the central circle.

The big circle like the ears of a fan is based on a hemispherical pedestal. Its shape suggests the symbolic expression of the swan, which is used in Indian thought as the knowledge. The motto of the university inscribed in Nagari script is selected from the Agni Sukta of the Rigveda "*Agne Nai Supatha Rae*" which means that "O Fire ! take us to prosperity through good path".

With immense pleasure I would like to bring to your notice that recently our university has been awarded with the 46th rank among the universities of the country with a score of 61.09 by the MHRD, Govt. of India, through its National Institutional Ranking Framework (NIRF) methodology. We are making efforts to ensure the future position of our university in the list of the top ten universities of the country. With this achievement the prospectus in your hand provides you with the glimpses of the academic programs the University is going to offer to you in the academic session 2016-17. The prospectus also includes a brief description of the infrastructure facilities available on the campus for pursuing quality higher education. I am aware of your intention and I believe that you will succeed in getting admission in this leading institution.

Our university currently with 28 School of Studies, started its journey on 1st May 1964 with a meagre four teaching departments, has been relentlessly making efforts to fulfil the contemporary requirements of the youth. In the meanwhile in the academic year 2013-14 we celebrated the golden jubilee year of its inception. One of the objectives of the higher education is to expand the horizon of wisdom of an individual through academic programs that could enable us to march ahead harmoniously with the day-to-day developments of knowledge in diverse domains. Apropos to its fulfilment we have in our central library adequate number of reference books, text books, research journals and internet facilities that are easily accessible to the students.

Our motto is to instil overall development in each individual so that we can contribute to the building of our dream India. I welcome you all on the university campus especially enriched with healthy academic environment.
