### NATIONAL SCIENCE & MATHEMATIC DAY 2023

#### ‘National Life Science Entrepreneurship Awareness Programme’

(Organized by School of Studies in Biotechnology,

Pt. Ravishankar Shukla University, Raipur Chhattisgarh)

Sponsored by CGCOST Raipur, Chhattisgarh

---

School of Studies in Biotechnology, Pt. Ravishankar Shukla University, Raipur, Chhattisgarh organized an one day event to celebrate National Science and Mathematics Day on 13<sup>th</sup> March 2023; themed as ‘National Life Science Entrepreneurship Awareness Programme’, with collaboration of Biotechnology Industry Research Assistance Council (BIRAC), Centre for Cellular and Molecular Platforms (C-CAMP), BIRAC Regional Entrepreneurship Centre (BREC) and sponsored by the Chhattisgarh Council Of Science And Technology (CGCOST) Raipur, Chhattisgarh. The event was aimed for fostering the entrepreneurial spirit in young minds through experiential interaction with various eminent entrepreneurs. More than **100** participants had registered from various departments of the university/Institutions and also from various colleges across The Chhattisgarh. The event was started with the auspicious lamp lightening ceremony in the presence of esteemed personalities including **Prof. Keshari Lal Verma** (The honourable Vice-Chancellor Pt. Ravishankar Shukla University, Raipur, Chhattisgarh), **Dr Shyam Vasudevarao** (Founder & director, Forus healthcare, Renalyx and Rx DHP), **Dr. Bhavisha Wala** (Lead at BREC, C-CAMP), **Ms. Swati Upadhyay** (Associate, Lakshmikumaran & Sridharan), **Dr. Chandan Kumar Jha** (Founder of Galanto Innovations Pvt. Ltd. and all faculties of the department). The Lamp lightening was graced with Sarswati Vandana, which is then follow by university kulgeet and Rajkiye geet of Chhattisgarh. All the dignities were welcomed with colorful bouquet by the faculties of SoS in biotechnology, Pt. RSU. A valuable word of motivation was delivered by **Prof. Keshari Lal Verma** in which he appreciated the School of Studies in Biotechnology for their achievements and also inspired the young minds to be an entrepreneur. This lamp lightning and welcome ceremony was ended with a small tea break.

A total of five lectures were delivered by the invited speakers. The first session was started by the lecture delivered by **Dr. Shyam Vasudevarao**. He focused on the requirement of a cost-effective and reachable health care system for the people. He also discussed various medical

equipment made by Forus healthcare and Renalyx. He also discussed on converting the Life Science ideas into a venture. The session was very informative and also interactive with all the participants. The session was ended with the half an hour lunch break.

After the lunch the second session was started by the second lecture delivered by **Dr. Bhavisha wala** regarding the various funding agencies available for providing financial assistance to the new young entrepreneurs. She focused on the various schemes DBT-BIRAC, C-CAMP and NITI AYOJ. The third lecture was delivered by **Ms. Swati Upadhyay** on intellectual property right. She discussed all the rules, regulations and procedures for filing a patent in India as well as in the USA. The session was very much informative and interesting. The session was continued with the fourth lecture, which was delivered by **Dr. Chandan Kumar Jha** sharing about his personal experience of being an entrepreneur to developing his own company. He discussed about the healthcare equipment for physically disabled people. He introduced his equipment made for disabled people. The fifth and last lecture of the day was delivered by **Prof. Balwant Singh Thakur** on the important role of Mathematics in Biological Sciences and also in everyone's daily life. He discussed the role of Mathematics in various subjects through numerous examples and illustrations. All the lectures at the event were very interesting and informative. All the queries of the participants were nicely addressed by the speakers.

A quiz competition on **Bio-entrepreneurship** was organized at the end of the day comprising 45 multiple-choice questions via online mode. More than 65 individuals were participated in this quiz.

Thereafter, the valedictory function was held in the presence of **Dr. Shailendra Kumar Patel**, Registrar, Pt. Ravishankar Shukla University, Raipur. A brief report of whole-day event was presented by Dr. Kamlesh Kumar Shukla, he was also thankful to the committee and students for their support. The winners of the quiz competition were presented with certificates by the eminent guest. A word of appreciation was given by the guest of the valedictory function.

The School of Studies in Biotechnology organized a four weeks long event to commemorate **National Science Day-2023**, sponsored jointly by the **Chhattisgarh Council of Science & Technology, Raipur**, and **Department of Science & Technology, New Delhi**. As a part and partial of this celebration, different activities were organized in the 17 March 2023, 25 March 2023, 01 April 2023 and 13 April 2023. This celebration was culminated in a Valedictory Function on April 13, 2023. Research scholars and Post Graduate students of this School participated enthusiastically in the various competitions held in the Seminar Hall of the School. This four-week celebration provided an opportunity to the students to showcase their scientific knowledge and creativity. The event was a great success and motivated many young minds to pursue careers in science and technology. The schedule of events is provided below:

<b>EVENTS</b>	<b>DATES</b>
Poster making Competition	17 March 2023
Quiz Competition	25 March 2023
Alphamania Competition	
Debate Competition	01 April 2023

## Poster Making Competition: Friday, 17 March 2023

On **17 March 2023**, the School of Studies in Biotechnology organized a **Poster-Making Competition** as a part of the four-week event. The competition was based on the theme "**Global Science for Global Wellbeing**", and a total of **15 participants** showcased their artistic skills and imagination. The participants were given a time limit of **90 min** to complete their posters, and were praised for their efforts and ideas by the audience. It was an excellent opportunity for the participants to express their perspectives on the theme creatively. All the posters made by the participants were evaluated by Prof Arti Parganiha of School of Life Sciences, and Dr Manju Singh of University Institute of Pharmacy of this University.

## Alphamania and Quiz Competition: Saturday, 25 March 2023

As part of the Celebration of National Science Day-2023, two different competitions namely **Alphamania and Quiz Contest** were organized on **25 March 2023**. The Alphamania competition was organized with a key word "**Genetics**", which had **47** participants. The participants were given a total of 30 min to complete the task. Additionally, an online Quiz Contest was organized on the same day using a Google Form. Questions (50 numbers) of the Quiz contest were related with science and technology, aiming to promote critical thinking, problem-solving, and creativity among the participants. A total of **40** participants took part in the Quiz Contest, with a time limit of 30 min to answer the questions. The winners were selected based on their scores. The events were concluded with the refreshments for all.

## Debate Competition: Saturday, 01 April 2023

A Scientific **Debate Competition** was organized as the next event on **01 April 2023**, at 2:30 pm. The competition attracted a total of **8** participants, including students of M Sc and research scholars. The topics given for the debate were "**Is animal testing ethical?**" and "**Climate change: Is it really something to worry about?**". Each participant was given a slot of 10 min to share their arguments on the topic of his/ her choice. To judge this Competition, Prof Arti Parganiha of School of Life Sciences, and Dr Manju Singh of University Institute of Pharmacy of this University were present as jury members. The event was concluded with the refreshments for all.

## **Biopuzzle and Extempore Speech Competition: Saturday, 01 April 2023**

In the series of different events organized, the **Biopuzzle and Extempore Speech Competition** were conducted on **01 April 2023** in the Seminar Hall of this School. The Biopuzzle competition was conducted first, followed by the Extempore Speech Competition. In the Biopuzzle competition a total of 38 participants were contested, while in the Extempore Speech Competition 9 participants were there. Participants were given 20 min to solve the Biopuzzle. For the Extempore Speech Competition, the topics were given at the time of the event only. Participants were given 2 min to think about the given topic, and 3 min to speak. To judge Extempore Speech Competition, Prof Arti Parganiha of School of Life Sciences, and Dr Manju Singh of University Institute of Pharmacy of this University were present as jury members. The events were concluded with the refreshments for all.

### Lectures by Guest Speakers: Thursday, 13 April 2023

The School of Studies in Biotechnology of Pt. Ravishankar Shukla University, Raipur 492 010, in collaboration with the Chhattisgarh Council of Science & Technology, Raipur, organized a Lecture Series to Celebrate National Science Day-2023 on **13 April 2023**. In this series, two lectures were given, among which first lecture was by **Dr DL Gupta**, Associate Professor, Department of Biochemistry, All India Institute of Medical Sciences, Raipur, and second was by **Dr Varaprasad Kolla**, Professor & Director, Amity Institute of Biotechnology, Amity University, Raipur.

Lecture of **Dr Gupta** was focused on the "**Immunology of SARS-CoV-2 and Vaccines**". He started by explaining the functioning of immune system and mechanism of infection of SARS-CoV-2. He also discussed the differences between SARS-CoV-1 and SARS-CoV-2 variants and highlighted the significance of preventing SARS-CoV infections. Dr Gupta also talked about the importance of vaccines and their types. He further discussed the reasons behind cases of reinfection by the pathogens.

In the second lecture, **Dr Varaprasad Kolla** spoke about "**Global Science for Global Well Being**". He highlighted the impact of fastest-ever transformations in the last century in the environment, society, and economy. Dr Kolla emphasized the need to address these problems sustainably and to prioritize global well-being. He suggested various ways to make sustainable development a reality.

Overall, this lecture series provided valuable insights into two critical aspects of science; immunology and sustainable development. Both the lectures were intellectually stimulating and provided a deeper understanding of the significance of science in shaping the world we inhabit, to the students and research scholars. The session was concluded with the refreshments for all.

## Valedictory Function *cum* Prize Distribution Ceremony

Thursday, 13 April 2023

Valedictory Function *cum* Prize Distribution Ceremony of four-week long Celebration of National Science Day-2023 was initiated at 3.30 pm in the Seminar Hall of this School. **Dr Kallol K Ghosh**, Professor & Head, School of Studies in Chemistry, and Director, Centre for Basic Sciences of Pt. Ravishankar Shukla University, Raipur 492 010, graced this function as the Chief Guest, while **Dr (Mrs) Joyce K Rai**, Scientist-E, Chhattisgarh Council of Science & Technology, Raipur 492 014, was present as the Special Guest of the function. Both the guests were welcomed with bouquets and then this event began with a traditional lamp-lighting ceremony, followed by the singing of the State Song and Kulgeet of the University.

Thereafter, a brief report of the Celebration of National Science Day-2023 which was held in between 17 March 2023 to 13 April 2023, was shared by **Prof Keshav Kant Sahu**, Head, School of Studies in Biotechnology, Pt. Ravishankar Shukla University, Raipur 492 010. Now, the prize distribution ceremony followed, with the distinguished guests presenting the winners of all the competitions held during the various events with awards and certificates of achievement and appreciation. Dr Ghosh Sir inspired the students and expressed his gratitude to everybody who contributed towards successful organization of the events. Then, Dr Rai Madam also inspired all the participants, and asked the students to plan and take part in such activities in the future ahead. At last, **Dr SK Jadhav**, Professor, School of Studies in Biotechnology, Pt. Ravishankar Shukla University, Raipur 492 010, delivered the vote of thanks, expressing gratitude and congratulations to all the members involved in the successful organization of this event, as well as motivated the students for future endeavours. The event was concluded with the refreshments for all.

School of Studies in Geology & WRM

Month: September 2022

During the month a series of technical deliberations were organized for the students under TechTalk@Geology.

The first TechTalk@Geology was held on 10.09.2022 and addressed by Shri Tallepden Longkumre, Geologist, Geological Survey of India, Raipur. The talk was aimed to understand the geology and mineral resources of NE India. The talk also addressed on the work profile of a geologist and how to prepare for Geologist exam which is organized by UPSC.

The second TechTalk@Geology was arranged on 17.09.2022. The topic for discussion was on the economic aspect of mineral exploration, Developing Mine Plan. Shri Jagatbandhu Debnath, Consulting Geologist highlighted about how a prospect is developed for mining using conventional and modern tools. The discussion helped to understand the economics of mineral resources.

The students of PG Diploma in RS & GIS presented the illustrative journey of space technology of ISRO in the country. The TechTalk@Geology was held on 24.09.2022, and was thoroughly enjoyed by students through presentation.

All the TechTalk@Geology were arranged at the Seminar Hall of the School, and was attended by the students of MSc, PG Diploma and Diploma.

Professor K R Hari was associated in field work with Dr Greg Shelmut, Professor of National Taiwan Normal University, Taiwan and his students under the interregional collaborative research project from 08 - 11 November 2022. The field-work was carried out in and around Sonakhan and Korba regions. The international research collaboration has helped to understand the geology and comparing the geotectonic evolution of Bastar craton through geological and geochemical investigations.

During the visit, Dr Shelmut addressed the students on 12 November 2022 and delivered a TechTalk@Geology aimed towards the objectives of the international research project.

Dr. Benimar Deshmukh, Associate Professor, School of Science, IGNOU, New Delhi addressed a TechTalk@Geology on 28.11.2022. The talk was focused upon the aspects of geology. It helped to understand the interconnected facets of the subject which is of utmost importance during the preparation of competitive examinations. The deliberation will help the students to be productive and smart.

All the TechTalk@Geology were arranged at the Seminar Hall of the School, and was attended by the students of MSc, PG Diploma and Diploma.

The participants of DST sponsored Hands on Training program organized by University Institute of Pharmacy, Pt. Ravishankar Shukla University, Raipur in association with Sophisticated Analytical Instrumentation Facility (Panjab University, Chandigarh) visited the School of Studies in Geology & WRM on 28.11.2022. During the visit, the participants were introduced to the subject of Geology and its various aspects. The participants toured various facilities viz. Petrological, Geophysical, and Geochemical, laboratories.

Month: January 2023

A lecture on Introduction to Gems of Chhattisgarh was delivered by Dr Jayant Paschline, CG Mineral Development Corporation on 21<sup>st</sup> January. In Chhattisgarh State occurrences of Diamond and other precious stones like Alexandrite, Corundum, Garnet, Beryl, Aquamarine, Tourmaline, Quartz etc are known. Diamond bearing kimberlite pipes are reported from Mainpur area of Gariyaband District. The talk also emphasized about the initiative taken by the State Government to promote investment in this sector.

Dr Prashant Kawishwar, Scientist E, CCOST, Raipur delivered a lecture on Application & Advances in Remote Sensing Satellite System and Role of ISRO on 25<sup>th</sup> January. Indian Space Research Organisation (ISRO) is involved in science, engineering and technology to harvest the benefits of outer space for India and the mankind. The critical role of Satellite remote sensing in many aspects such as the exploration of mineral resources, the monitoring of floods and droughts, soil moisture, vegetation, deforestation, forest decline, forest fires, carbon storage, or land cover, road monitoring, and urban planning were explained with case studies.

Dr M K Baig, Scientist E, CCOST, Raipur enlightened the students about the Geographical Information System and its Application on 28<sup>th</sup> January. GIS is used to study geologic features, analyze soils and strata, assess seismic information, and or create three dimensional (3D) displays of geographic features. GIS can be also used to analyze rock information characteristics and identifying the best dam site location. The presentation was well supported by case studies.

Prof U C Singh, Jiwaji University presented a lecture on Cratons of India. The lecture was organized on 30<sup>th</sup> January.

### Activity Report (2022-23)

School of Studies in Mathematics, Pt. Ravishankar Shukla University Raipur have been organized various activities and events in the academic year 2022-23. Detailed reports are as follows:

#### **5<sup>th</sup> September 2022: TEACHER'S DAY**

Teacher's Day is a special day for the appreciation of teachers. The birthday of the second president Sarvepalli Radhakrishnan, 5 September, is celebrated as Teacher's Day since 1962.

P.G. students celebrated Teacher's day in the seminar hall. On the occasion Prof. B.S. Thakur, Dr Dipti Thakur, Dr M.R. Yadav, other faculties and scholars as well as all the P.G. students were present.

Celebration started on sharp 12:00 pm by 'Saraswati Vandana' and lightening of lamp followed by student's speech as a few words of honour to their beloved teachers for not just providing them with an education, but also by empowering them with life lessons about dealing with emotions and friends, making decisions, or just by being more humane. After then H.O.D Sir was invited for a talk. In the talk, Sir recounted the life incidents of Dr Radhakrishnan Sarvepalli and shared his views on being a teacher. After this, Dr Dipti Thakur, Dr M.R. Yadav and other faculties were also invited to share their views on the occasion. The celebration was followed by cake cutting and refreshments.

#### **19 -23 September 2022 : AAZADI KA AMRIT MAHOTSAV CELEBRATION**

Azadi ka Amrit Mahotsav week was celebrated by SoS in Mathematics to commemorate 75 years of independence of India and the glorious history of its people, culture and achievements. Various competitions and sports activities were organized for P.G. students to foster their creativity and develop the physical as

well as mental strength in students. All the students actively participated in all the competitions. The details of the event are as follows:

***Day1(19<sup>th</sup> Sep.) Rangoli Competition:***

A rangoli competition was conducted on 19<sup>th</sup> September 2022, Monday at 2:30pm to 4:00pm on SOS in Mathematics. The theme was "Azadi Ka Amrit Mahotsav". The students participated with enthusiasm and draw beautiful rangoli patterns using colored chalk, powder, crushed lime stone and candles to bring out their talent.

Dr Dipti Thakur mam and Dr M.R. Yadav sir and other Ph.D. scholars were the in charge for this activity. The criteria for judgement was the selection of the design, neatness, clarity, color combination and creativity and new ideas implemented by the students to make their designs more presentable.

To evaluate the rangoli made by the participants by faculty members.

The result of poster competition is as follows:

1. Saroj
2. Bhumika

***Day2(20<sup>th</sup> Sep.) Painting and Carromboard Competition:***

On 2<sup>nd</sup> day of "Aazadi Ka Amrit Mahotsav week", painting and carom board competition was organized.

The competition started by sharp 2:30pm, 6 students participated in painting and 32 students participated in carom competition. The theme for the painting competition was "Aazadi Ka Amrit Mahotsav".

Each participants in the competition were equally strong. A platform was provided to participants and they utilized it to their fullest. Aim of this competition was to explore and encourage creativity in students and offer them a platform to showcase their skills.

To evaluate the Painting made by the participants by faculty members Dr. Govind Prashad Sahu ,Assistant Professor, CBS.

The result of carom board competition is as follows:

1. Himanshu and Jeevardhan
2. Khilesh and Rudrapratap

The result of painting competition is as follows:

1. Preeti
2. Giriraj

***Day3(21<sup>st</sup> Sep.) Badminton, Chess Competition:***

On 3rd day, badminton and chess competition held, with 12 participants in chess and 28 participants in badminton. For chess, 30min intense brainstorming session was the maximum time limit given to each pair. With great combined pair of technique and physical strength were the winners from 32 participants at the badminton court.

The result of badminton competition is as follows:

1. Bhupesh and Kamalkant
2. Domendra and Prabhat

The result of chess competition is as follows:

1. Giriraj
2. Prabhat

***Day4( 22<sup>nd</sup> Sep.) Slogan Making Competition:***

Slogan making competition took place on the 4<sup>th</sup> day in which 6 students participated. The theme was the same “Aazadi Ka Amrit Mahotsav”.

The result of the competition is as follows:

1. Neha
2. Astha

***Day5(23<sup>rd</sup> Sep). Quiz Competition:***

Quiz competition held on the last day of celebration. 35 students participated with 5 students in each group. The quiz was based on independence of India and current

affairs. There were 4 rounds for which 7 groups of students competed. Quizzes provide a sneaky form of learning in which students learn new subjects in an interesting manner.

The winner group of the competition is as follows:

## AWARENESS PROGRAMME ON EFFICIENT UTILIZATION OF PLASTICS

The adverse impacts of littered single use plastic items plastic on both terrestrial and aquatic ecosystems, including in marine environment are globally recognized. Addressing pollution due to single use plastic items has become an important environmental challenge confronting all countries but at the same time Plastic has become a constant element in our lives. Its omnipresence is such that many would find the mere fact of giving it up a difficult task. Reducing the consumption of plastics therefore requires not only a change in habits, but also a change of mindset and hence in the context Institute of Renewable Energy Technology & Management, Pt. Ravishankar shukla has organized awareness programme for efficient usage of Plastics in association with CIPET, Raipur on 08<sup>th</sup> April 2023.

Dr. Aparna Yadu & Dr. Rajshree Vijayvargiya lead the session and described about how recycling of plastics can help us develop new product. Plastic has huge contribution in Building construction material and also a proven technology in Road construction.

Giving a brief about Plastics, Dr. Vijayvargiya informed us that, Now Government has made it mandatory for all road developers in the country to use waste plastic, along with bituminous mixes, for road construction. This is to help overcome the growing problem of plastic waste disposal in India. The technology for this was developed by the 'Plastic Man' of India, Prof Rajagopalan Vasudevan, Professor of Chemistry at Thiagarajar College of Engineering, Madurai. Dr. Yadu focused on the Industrial and academic facilities available at CIPET, Raipur.

Addressing to students Prof. Kavita Thakur said, “Plastic has slowly become an integral part of all human requirements. Plastic carry bags, packaging material, bottles, cups, and various other items have slowly replaced everything made of other material due to the advantages of plastic. Plastic is durable, easy to produce, lightweight, unbreakable, odourless, and chemical resistant but at the same time plastic does not decompose. This is its biggest drawback.”

## 03 DAYS WORKSHOP ON ADVANCEMENTS IN SOLAR PHOTOVOLTAIC TECHNOLOGIES

Rising concerns about climate change, the health effects of air pollution, energy security and energy access, along with volatile oil prices in recent decades, have led to the need to produce and use alternative, low-carbon technology options such as renewables. The evolution of the solar PV industry so far has been remarkable, with several milestones achieved in recent years in terms of installations (including off-grid), cost reductions and technological advancements, as well as establishment of key solar energy associations, this

lead to Solar PV to be one of the pioneering renewable technologies over the decades. The IEA estimates that the transition towards net-zero emissions will lead to an overall increase in energy sector jobs: while about 5 million jobs in fossil fuel production could be lost by 2030, an estimated 14 million new jobs would be created in clean energy, resulting in a net gain of 9 million jobs and hence

huge trained workforce is required in coming years to serve the purpose of renewable growth.

In context Institute of Renewable Energy Technology & Management and S.O.S. in Electronics & Photonics in association with Public Outreach Centre is organizing 3 Days Workshop on Advancements in Solar Photovoltaic Technologies from 27th April to 29th April 2023. The 3 Days Workshop on Advancements in Solar Photovoltaic Technologies commenced at 11:00 AM of 27th April in the presence of Chief Guest Prof. Sachidanand

### **Organized at Center for Basic Science, Pt. Ravishankar Shukla University, Raipur**

A two-day National Science Day was organized at Center for Basic Sciences, Pt. Ravishankar Shukla University, Raipur on March 15 and 16, 2023. The program was catalysed by the Chhattisgarh Council of Science and Technology, Raipur. The inauguration ceremony was presided over by the Vice Chancellor of the University, Prof. Keshari Lal Verma. The chief guest of the program Dr. K. Subramaniam (Member, State Planning Commission, Chhattisgarh) and guests of honour Dr. Dinesh Mishra, Raipur's famous eye specialist and Dr. Joyce Rai, Scientist E, Chhattisgarh Council of Science and Technology, were present. The program started with the worship of Maa Saraswati and the lighting of lamp. Dr. Kallol K. Ghosh, Director, the Center for Basic Science, welcomed all the guests in his welcome address and explained the importance of Science Day and Sir C.V. Raman's invention to the students. Program coordinator Dr. Bhanushree Gupta informed about various competitions and their topics to be organized in the ceremony. Chief Guest Dr. Subramaniam delivered his lecture on "Basics of Climate Change and its Impact and Some Commendable Steps to Mitigate its Impact".

Special guest Dr. Dinesh Mishra delivered his lecture on "Scientific Thoughts and Superstitions" on the theme of Science Day, "Global Science for Global wellbeing". Dr. Mishra motivated the students to come out and remove various superstitions by adopting a scientific approach. Vice Chancellor of the University Dr. Verma also inspired the students in his speech to adopt scientific thinking and to work towards making their country and state a pioneer in the field of science. Dr. Joyce Rai explained in detail the steps taken by the Chhattisgarh Council of Science and Technology.

On this occasion, the latest issue of "Jarai", the annual magazine of Center for Basic Science was released. In this event, the President of Chhattisgarh Vigyan Sabha, Dr. Vishwas Meshram, Prof. Ashok Kumar Pradhan, Prof. M. L. Nayak participated along with the students, research students and teachers.
