Sales of MUBSS B whereas Umendra Soni and Anil Jais Foundation pro and also brief about MUBSS.

National Science Day & National Mathematics Day celebrations by CBS

■ **Staff Reporter**

Raipur, March 7

CENTER for Basic Sciences, Pt Ravishankar Shukla University is celebrating National Science Day and National Mathematics Day on March 13 and 14 respectively.

These important events are sponsored by Chhattisgarh Council of Science and Technology, Raipur. The Theme for National Science Day is "Women in Science" and the theme for National Mathematics Day is "Mathematics is Everywhere".

It is noteworthy that National Science Day is celebrated every year in the memory of Dr C V Raman, a Nobel Prize winner for Science before independence and National Mathematics Day has been declared to be celebrated on December 22, the birth date of the great mathematician Srinivasa Ramanujan, for his contribution towards Mathematics. According to the Professor Kallol Ghosh, Director Centre for Basic Sciences (CBS) there will be popular science lectures by eminent scientists and academicians in these two days event and various

competitions activities will be held for under graduate and post graduate students.

The basic objective of these functions is to inspire young students to new development of science, attract them to science, and make them aware of science and scientific achievements. Professor Aruna Palta, Vice Chancellor, Hemchand Yadav University, Durg, Prof. Anand Pathak, School of Physics, University of Hyderabad, Prof. B K Patel, Head, Department of Chemistry, IIT Guwahati and Prof. H K Pathak, former Head SoS in Mathematics, Pt. RSU, Raipur will deliver the popular scientific lectures. Students Activities include Model competition and exhibition, poster making competition, debate competition, essay writing.

There will a special poster competition on NARWA GARWA GHURWA BARI and "Climate Change". The students of various colleges can be registered before March 10.

They can contact Conveners Dr Bhanushree Gupta and Dr Govind Sahu of centre for Basic Sciences.
