

# Student Induction Programme

Organized by

U.G.C.

IN

School of Studies in Physical Education  
Pt. Ravishankar Shukla University, Raipur  
19 & 20 September 2019

## About the program

The induction program was organized by UGC on 19 and 20 September 2019 School of Studies in Physical Education, Pt. Ravishankar Shukla University. The programme was organized with the purpose to help students acclimatize with the new surroundings, to provide information to new students about the teachers of the department, to provide information about the facilities available, visit departments of the university, to provide information about programme and activity of the university, interaction between the teachers and students of the department, sensitivity towards various issues of social relevance and to imbibe human values so as to become the responsible citizens.

On the first day of this program, Dr. Raj Bharti the chief guest of the event on 19 September 2019 inaugurated the program in which all the processors of the department were present. The program was started by the professors of the department and then all the students introduced themselves. Students went to visit the university where new students were provided with information by the old students of the department.

The cultural dance was organized, in which Prof. Rajiv Chaudhary and guest faculty Komal Kumar Verma, Ph.D. Scholar Kumari Pooja, Manish Toppo

was present. B.p.ed and M.p.ed first semester students participated in this event and enjoyed a lot. The theme of the painting program was "Nature Scenery of Indian Culture", in which students participated extensively, followed by the Poetry program was held, in which Mousmi Thakur of M.p.ed First Semester student did a very good Poetry on "Chandrayaan". The Debate competition was organized on the topic "addiction of cell phone" Mr. Chandra Prakash B.p.ed 3rd semester student anchored the competition. Shailesh Shukla Renuka Virendra and Nisha act as judge for the event.

Two speakers for the motion and other two against the motion of each class. Ganeshu Pal the speaker for the motion said that "cell phone first time used by USA for military purpose during Second World War cell phones connect to each other by social media".

Chandrakant the speaker against the motion expressed on the point that "cellphones leading towards cheating, fraud, health hazard, suicidal game like pubg, UV radiations".

The highlight of debate was the rebuttal round; here each participant asked the opponent a question on the matter presented by that contestant.

The debate competition come alive as Volley of questions was answered, inviting more questions which got further answers from both sides.

Each participant rose to the occasion to defend their arguments. One of the best orators, Priya Bharat Pradhan (M.p.ed first semester) heatedly spoke against the speaker for the motion countered the arguments and correctly explain about ultraviolet radiation by cellphone.

Priya Bharat Pradhan got first place Chandra Chandrakant Bagade got second place and Priyanka Chauhan Gangotri of B.p.ed 1st semester got third place in this debate competition.

Under the student induction program, the competition for clay art was held in physical education department. In which the student of B.P.Ed and M.P.Ed 1<sup>st</sup> sem participated, the topic of this competition was to show sports by their art. also in the evening a volleyball game was organized.

On the second day of the program, chief guest prof. Dr. priyamvada Srivastava (psychology), she inspired all the students with inspiring lecture related to psychology. After this handball game was organized.

Motivational speech by Dr. privamvada srivastava & Discuss about psychology

## चंद्रयान

कहते हैं, हर सफलता छि कहानी के पीछे कई असफलताएँ छुपी होती हैं। और छुपे होते हैं, वो लोग जो इसी समाज के नाकारात्मक लोगों के ताने बुनने और कई बाधाओं के आने के बाद भी चटानो से डटे रहते हैं और फिर सफलता उनका माथा चूमती है।

तो उसी पर अपनी स्यना खिख रही हूँ, स्यना क्योंकि ये अगर कबिता ना हुई तो मेरी भावना न हुई तो मेरी भावना जरूर होगी।

[चल पड़ा मैं चांद पर, लेकर भारतीयों का सम्मान, गर्व महसूस कराऊँ भारत को, नाम मेरा है: चंद्रयान]

छि अंतरिक्ष में कई देश गए, देशों में देश महान - (२)  
हैं; भारत की आंखों का तारा, इसरो मेरी जान  
वो दूर कहीं चंद्रा मामा, छोटा सा जो दिखता था  
अजब रहस्य से बारा हुआ था जान के हमको  
रहता था। श्रेया पहला यान जो हमने, चंद्रयान 1  
कहलाया। चंद्रयान की सतह पे जिसने

जल को खोज के दिखलाया  
अबकी बार बह्य बड़ा था  
कुछ अलग हमें तो करना था  
सभी गये थे उत्तरी ध्रुव तक  
दक्षिण में हमें उतरना था  
जल की खोज था एक श्शारा  
जीवन वहाँ भी संभव है।  
इसी सभी विचारों का चंद्रयान - 2 उद्गम है।

केंद्र था हम, ये साधन हम पर  
हमारे इसरो में था हम  
पिछले मिशन की नाकामी पर  
दुनिया ने ताने मुना दिय  
भारत के स्पेश आरेंस पर  
सैकड़ों सवाल उठा दिय।

थी अब बारी दुनिया को  
ताकत अपनी दिखलाने की  
थी अब बारी चंद्रमा पर  
सबसे कामयाबी से जाने की  
थी श्वासियत इसकी ये की, अब कुछ ही दिनों का था  
कुछ विचित्र प्रयोग ये इसमें  
जो देव के जगत अंचलित था  
सभी चरण को धीरे धीरे  
छार कर गया अपना विक्रम  
पर चांद्र की दीवार से  
एक कदम पर खड़ा मिशन

जस दिन जब 'डे सिवान' की  
आखे नम हो आधी थी  
कसम से हर भारतवासी की, जान  
हमको को आधी थी  
है अमर विज्ञान ये भारत का  
इस पर हमको राज है।  
हम श्री तेरे काम आरेंगे  
ये पूरा लुप्तको आज है।
