

National Workshop on Robohunk'15, (12-13 January, 2015)

Sponsored: PRSU-Raipur and IIT-Bhubaneswar.

Coordinator: Prof. Sanjay Tiwari

Chief Guest: Er. S.K Shukla, CEO CREDA Raipur.

Preside: Prof. SK Pandey, Honorable VC, PRSU-Raipur

Robotics is the area of interdisciplinary research involving the design, fabrication and application of techniques and technologies originating from the disciplines of Mechanical, Electrical and Computer Engineering. In this workshop students of more than hundred colleges participated from this region and made robots with the effort of IIT Bhubaneswar to build up expertise in various fields of robotics.
