

## Report of One Day Workshop on Nano-Science and Nano-Technology

One Day Workshop on Nano-Science and Nano-Technology has been held in C.V. Raman Hall, Pt. Ravishankar University Raipur on **26<sup>th</sup> August 2017**. This Workshop has been organised by joint collaboration of **Centre of Nano-Science & Nano-Technology** and School of Studies in Physics & Astrophysics. About 80 participants have been benefited by attending this workshop.

The Workshop covered the most relevant aspects and the state- of -the- art of Nano-Science phenomenon in all classes of materials.

In the first session two eminent speakers have delivered their lectures Prof. Meera Ramrakhiani, Ex-Professor and Head, Rani Durgawati University, Jabalpur (M.P.) has covered Nano-Science from Basic to Advance level and Prof. B.S. Panigrahi, Scientist, IGCAR, Kalpakkam concentrate on concepts of Nano-Science with its applications.

In Second session demonstration of sophisticated instruments has been done. Both the speakers have shared their knowledge and experience to young faculty members, research scholars and PG students.

**Convener**  
**(Prof.Nameeta Brahme)**
